

Tianliao Moon World (田寮月世界)

高雄縣 - 田寮區 (KaoHsiung County - Tianliao District)

A short walk in the deserted Moon World!

This area is called Moon World because it looks like the surface of the moon. In this desolated scenery, a walk in this unique landscape will transform your journey into a geological educational trip.

Due to the lack of water, the soil of this area is highly salty. As a consequence, biodiversity is not rich, as is shown by a very sparse vegetation.
